INPRO/SEAL

Company name: **INEOS**

Location: **Lavera - Marseille
France**

Industry: **Oil Refining**

INEOS Refining is an European independent crude oil refiner. With two ideally located refineries, they are processing more than 410,000 barrels of crude oil a day, to produce in the region 20 million Tons a year of fuels.

The INEOS Refinery (formerly B.P) has started to install INPRO/SEAL Bearing Isolator in **2002**. The first machines were: Process pumps and Worthington steam turbine.

Presently more than **70** machines are fitted with our INPRO/SEAL Bearing Isolator.
